RULE REFRESHER

Venue(s) Closing Early:

- In the event that the Home Team's venue requests that the teams leave prior to completion of all 12 games, the remaining game(s) will be played, **as written on the original game sheet**, on an evening and in a venue of the **away team's choice** and should be arranged within two (2) weeks of the original scheduled play date.
- The outcome would be decisive and the teams would then be awarded the appropriate points for the night's match.
- The only exception to this rule will be:
 - o In the event that both teams are unable to come to an agreement regarding the reschedule date, then to let the night stand and treat the remaining game(s) as **Byes**. This would become automatic and both teams will mark zero (0) in all the uncompleted game scoring boxes.
