RULE REFRESHER

Rescheduling or cancelling a game:

- 28.) If a team cannot field a team of four (4) or more players, the game may be rescheduled to a later date agreed on by both Captains, provided that the game was cancelled no later than 6:00 pm on the day of scheduled play.
- 29.) The cancelling team captain is to notify their Divisional Statistician of the cancelled game. There must be just cause and/or valid reason for cancelling a scheduled game (i.e. cannot field 4 or more players)
- 30.) Rescheduling must be done to non-cancelling teams convenience.
- 31.) The non-cancelling team will provide 3 dates along with 3 different days of the week and an alternate venue, if needed, to the cancelling team as available dates to reschedule. If these dates are not convenient, then 2 other dates also being 2 different days of the week are to be provided by the cancelling team. This shall be done within two (2) weeks of the original cancellation date. All rescheduled games must be played within 4 weeks of the originally cancelled game.
- 32.) In the event that both teams can not agree on a reschedule date then both team captains will submit a list of three (3) available dates to the Board of Directors. The Board of Directors will then review the dates submitted by both teams and assign a date for reschedule. Whichever team does not attend the rescheduled game, with a full team, will be considered to have forfeited this match.
- 33.) Any team requesting rescheduled games on **more** than three (3) occasions will forfeit all games that they cancel for the remainder of the season.
