

BULLETIN BOARD

SEPTEMBER 2016

WELCOME BACK!

We hope that everyone has had an enjoyable summer and are ready for another exciting season of darts. Just a reminder to be patient and courteous with our newer members. Help them with outs, chalking and general rules. We are all here to have a good time and play a great game.

A SPECIAL ANNOUNCEMENT

It is with great sadness we announce the passing of Chris Cole on Friday August 19, 2016. Please see page 4 for more details.

A "Celebration of Life" for Chris Cole will be held on Saturday, October 8th 2016 at 1:30pm at the Langford Legion.

URGENT NEWS

We believe that Susan McDormand's email account has been hacked. Please call Susan if there is anything you need to discuss with her and please refrain from sending any emails to her until she has resolved this issue. If there is something that needs to be emailed to the board, please send it to Darlene Rainey.

We also suggest that everyone do regular virus scans of their computers. If you do not have an anti-virus software program installed, there are a few good free ones available. Avast and AVG are two popular programs but there are others as well.

DARTS EVOLUTION

DART ETIQUETTE REMINDER

It is expected of each dart player to adhere to the following necessities to promote fair play:

- Each player is expected to shake hands at the beginning and end of each match - WIN OR LOSE.
- All team players are expected to remain quiet, whether playing or not, so as not to interfere with the concentration of the other players in the process of throwing.
- Each player is expected to wait for an appropriate moment to voice any concerns pertaining to the game in progress, such as incorrect score, or substituting a marker, etc., so as not to disturb the player in the process of throwing.
- Players are requested not to make comments or make any sudden movements which would interfere with the player in the process of throwing.
- No negative or intimidating remarks will be tolerated at any time.
- Chalkers are expected to remain silent while marking a game, unless asked to call a score.
- Chalkers should face the board while marking and should not turn around so as to distract the person throwing.
- Chalkers should refrain from moving around or making any sudden movements such as leaning over to see if the dart "stuck in the double" before the player has finished throwing all 3 darts.
- Chalkers should not offer any comments, favorable or unfavorable, to any player in the game.
- The score shall be kept in two columns, one showing the amount scored and one showing the amount remaining. The score remaining should be written and show the total amount remaining (e.g., 2 not X1).
- Each team and their guests are expected to show respect and courtesy toward their opponents and treat them fairly. Any unjust noise, comments, loud distracting noises, etc., constitute a form of cheating and the captain may be held liable in the case of such a complaint by the opposing team. Any such case will be reported and juried by the League Executive.
- Any player(s) showing unsportsmanlike conduct (harassment, verbal abuse etc.) on any league night or at a V.W.D.L. function will receive a written warning from the Executive and any further complaints regarding this player(s) conduct will result in the player's expulsion from the League and the player(s) will forfeit her membership dues.

If you have any good and welfare, or other news or events to share with the darting community, please email Brenda Dunn at breezeydunn@hotmail.com and it will be included in an upcoming edition of the Bulletin Board.

It is with great sadness that on Friday August 19, 2016 The Victoria Women's Dart League lost a genuine friend and teammate, Chris Cole. She was born April 7, 1949 and passed August 19, 2016.

Chris has been a member of the Women's Dart League for 37 years and played on various teams, Beamers, Sabres, Pink Panthers, Y-Nots, Lions and most not she spent 18 years as a core member of the Dew Drops.

Chris loved her darts and played competitively with Gail Hunter as her doubles partner. They would travel to tournaments with BC. They were quite the formidable team. She was always cool as a cucumber and played with complete confidence. Once at the toe line she felt that she could beat anyone and she usually did. She played to have fun and enjoy her night out.

Chris had many friends in the dart community. She would not hesitate to help out a new player if she saw them struggling and put them at ease. She was funny and loved to laugh. She loved life and her family and darts. Darts was a big part of her life. She was a great supporter of her teammates and was always there behind us giving us encouragement when we were struggling.

On Saturday October 8, 2016 there will be a Celebration of Life for Chris at the Langford Legion 1:30.

Chrissy.....you will be dearly missed by your family, friends and teammate as well as the Dart Community.
